DETAILED ACTION

112 Rejections Withdrawn

The rejection of claims 4-11 under 35 USC 112, second paragraph, outlined in the previous Office Action, has been overcome by applicant's amendment. With respect to claim 4, the amendment changes the dependency such that the rejection is moot. With respect to claims 5 and 6, also rejected under 35 USC 112, second paragraph, as indefinite because they depended from a rejected base claim, the rejection is now moot. With respect to claims 7-11, the amendment cancels the claims.

Allowable Subject Matter

Claims 1-6 are allowed for reasons of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
